

Howsham Hall

Pre-Arrival Information for Residential Guests

Howsham Hall is a 400 year old, Grade 1 listed Hall with 12 bedrooms. It is a private venue, not a hotel – it is much more than a hotel.

We are delighted that you will be joining us, below is the information concerning your visit.

Local Amenities

Howsham Hall is located 15 minutes from Malton and 20 minutes from York. There are chemists, major supermarkets and high street retailers in these towns. There is a garage about 8 minutes drive away on the A64 which also has a cash machine.

Bar

The bar will be open on the day of the event after the ceremony and whereas we accept both cash and cards (not American Express), we would advise you to bring some cash as there can be network challenges in century old buildings!

Please note drinking your own alcohol on the day of the event is not permitted, if you do consume your own alcohol the house team will confiscate the items, the bar may ultimately be closed and a supplementary corkage charge will be applied to the host's account.

If you are staying the day prior to the event your host will have arranged the hospitality and will doubtless relay this information to you. Any alcohol you bring on-site will be locked away on the event day and returned on your departure.

dine

Smoking

Smoking, including the use of 'e-cigarette' is permitted outside only, in the designated areas which are highlighted by the tall cigarette bins. Please use the cigarette bins at all times. Smoking is **NOT** permitted in the any of the public areas (this applies to cigars as well) and in any of the bedrooms. A cleaning charge of £100.00 will be charged per room if smoking occurs.

Safety Instructions

Howsham Hall borders the River Derwent along occasionally steep banks. This represents a hazard for children or guests who require supervision. Please make it clear to your guests and family that Children must be attended in the grounds at all times. There are two throwing lines in the grounds bordering the river.

Only residential guests are permitted to visit the upper floors. All children staying overnight at Howsham must be supervised at all times please when on the upper floors as the staircase and surrounding banister and areas are of an historic nature and therefore not up to modern safety standards.

Your host has been provided with extensive safety information in the 'Venue Information' booklet, a copy of which will also be available in your bedroom on arrival.

Noise

Please be considerate to other guests during your stay keeping noise to a minimum along the bedroom corridors. We do have neighbours fairly close to the Hall so we do ask you to be considerate outside of the Hall after 11pm.

Parking

After dropping your luggage with our house team, please park to the left or right of the Hall as shown on the Map below. Parking is not available at the front of the Hall – you are naturally welcome to drop off any guests who are unable to walk a distance.
