# Welcome to Rise

Rise Hall is the most important Greek revival mansions in East Yorkshire, the foundation stone was laid in 1815, and it was completed by 1820. Designed by Robert Abraham and built for the Bethell Family, the house stands in a beautiful park designed by Britain's most famous landscape designer, Lancelot "Capability" Brown.

When Sarah Beeny and her husband Graham purchased Rise Hall in 2000 it was a historic building that was very much in crisis (you may have seen it featured in Sarah's 'Restoration Nightmares' on Channel 4). Their biggest battle though was not repairing the leaking roof and damage to the structure, but to give it an ongoing purpose. Sarah wanted to keep it as a family home and when she and Graham had their wedding at Rise Hall in 2003 the house came to life.

After 18 happy years at Rise, Sarah & Graham feel the time is right to move on from Rise, and having run many Weddings together at the house in this time, it seemed like a natural progression for Dine to take on this beautiful home.

We are absolutely delighted to be able to add Rise Hall to our portfolio of venues. It is a truly magnificent building, that has been renovated with careful thought and planning - whilst retaining many comforts that you'd expect in a family home.

Whether you decide to hold your wedding celebration, celebration dinner or corporate retreat at Rise Hall, we are confident you will have a wonderful day.

A long, narrow hallway with stone floors and arched doorways. The hallway is dimly lit, with warm light coming from two pendant lamps at the far end and several lit candles in lanterns placed along the walls. The perspective is looking down the hallway towards a bright doorway at the end where a person is visible. The walls are a neutral color with white trim.

"You have been an absolute pleasure to deal with and were a huge part of our special day. We cannot recommend you and the team at Dine highly enough. Everything was perfect.

All our thanks,  
Patrick and Isabel"

In addition to the venue being stunning, the food and the service from your team was absolutely superb. Thank you again for making our day so perfect.”

A massive thank you again; it couldn't have been a more perfect day for us. Dine overall exceeded our expectations, we were very impressed. People are still talking about the food and how great you all were. I just wish there had been more room in my dress so I could've eaten more!

”

What a wonderful day! At the outset we advised Hannah that you and the Dine team had a “can do” attitude that would serve us well during the planning & execution of Hannah & Al’s wedding. Well you certainly did! As mentioned in my wedding speech, Hannah’s perfectionism and planning with your attention to detail ensured a fabulous day that perfectly reflected her sense of fun and their shared happiness. All guests have offered profuse thanks to us and the Dine team, with particularly favourable comments on the food. Again many thanks.

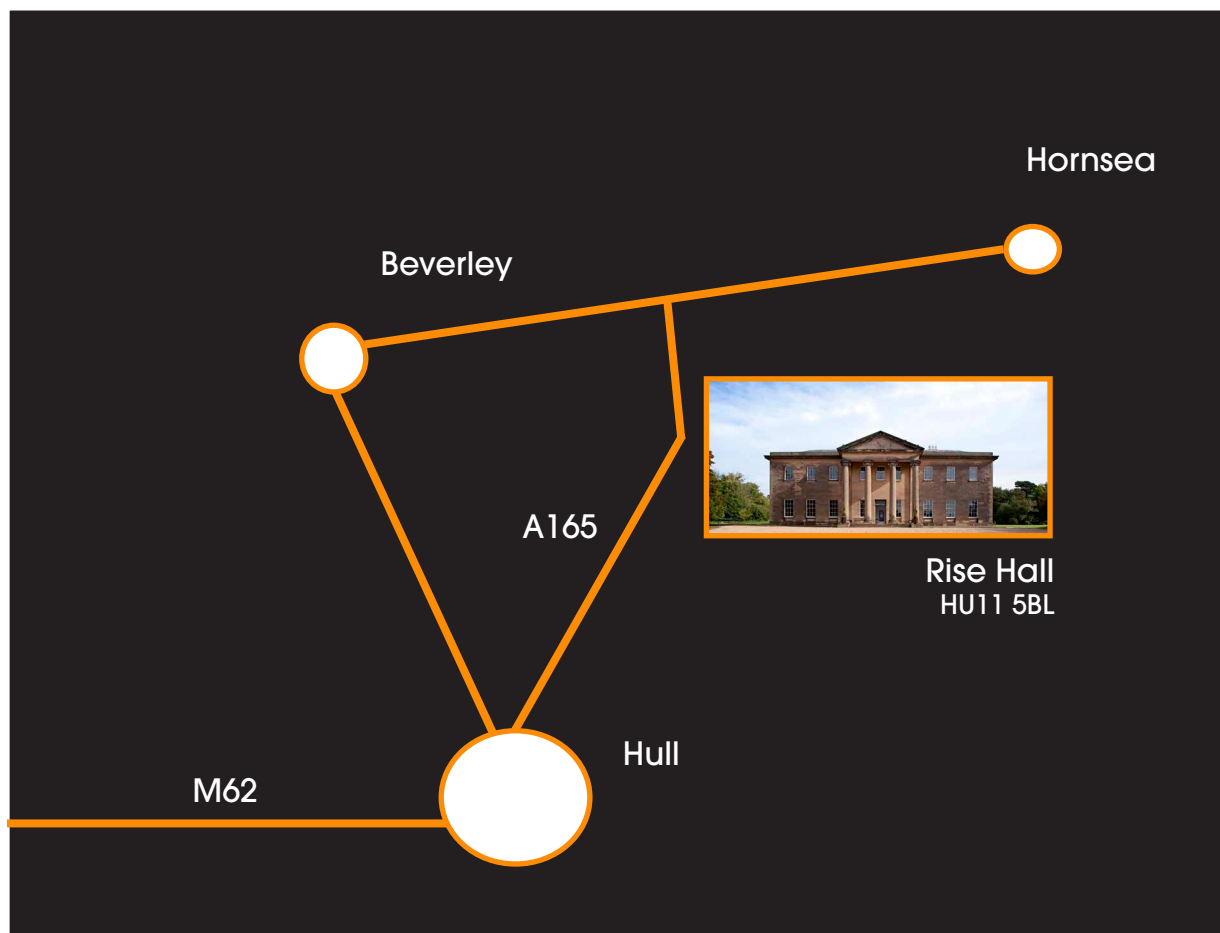

We’ve just arrived back from a wonderful honeymoon in the Maldives and trying to settle back into real life. I just wanted to send you a note to say a huge thank you to you and the Dine team for making our wedding day such a wonderful day. I really appreciated all the time you took to answer the questions I had in the lead up, making organising a lot easier! You were also such a calm influence, making the change of plan stress free following our timings issue!! Everyone has said they had an amazing time, they loved the venue, the food and the service and Chris and I certainly had the best day ever! I will certainly recommend Dine without hesitation in the future and would just like to say thank you again!
